Shefali Razdan Duggal

Intelligentsia Directory

## Democratic Political Activist.

Shefali Razdan Duggal is a Democratic political activist based in San Francisco. She has been actively involved in politics since receiving her masters in political rhetoric from New York University. Shefali worked on the Presidential campaigns for Vice President Al Gore, Senator Hillary Clinton and Senator Barack Obama focusing on South Asian outreach and fund-raising. She is currently working on various national and state campaigns.

## People may be surprised to know...

Although born in India to Kashmiri parents, I grew up in Cincinnati and have a true Midwestern personality—always smiling!

## Our Intelligentsia

Joining us in their mission to provide the utmost in business acumen, is a team of experts in every field of business that affect startups (a.k.a. our Intelligentsia) including coaching, marketing and public relations, photography, business consulting, and design services. Together they bestow wisdom and facilitate discovery via their community-oriented approach that is rooted in the ways of women. We help ourselves by helping others!
