## **Old Skool Youth Learn to Have a Voice in Politics**

Several of our Old Skool youth have turned 18 this year, making them eligible to vote in today's election! We celebrate our youth learning to have a voice in our beautiful City of St. Francis. In the past few weeks they have participated in candidate forums, researched candidates & propositions, and today will vote for the very first time! A special thank you to Supervisor Malia Cohen , Shefali Duggal, and all of the candidates who took the time to engage with our youth and answer their questions!

**Shefali Razdan Duggal visits Old Skool to educate our youth in politics, civic responsibility, and the difference that one person can make! By sharing her own personal journey, Shefali is helping to inspire a younger generation who may have otherwise believed that their voice couldn't make a difference. A very special thanks to Shefali for believing in our youth as our future leaders of San Francisco.**

**"I never liked to vote because I felt my voice would not be heard. However, after listening to Shefali and Malia Cohen, my mind changed. If I want to make a change in my community, I found I need to vote. I saw the benefits to voting and what it can do for the people in my area."**

**--Daran, Old Skool Youth Merchandise Manager**

**"All the political events allowed me to see how the gears behind a city work together. "**
